

# 2008 National Certification Examination Information

## Bulletin for Code Professionals

**Effective January 1, 2008**

**Revised: January 14, 2008**

**International Code Council  
Certification and Testing  
Birmingham District Office  
900 Montclair Road  
Birmingham, AL 35213**

**1-888-ICC-SAFE (422-7233)**

**[www.iccsafe.org/certification](http://www.iccsafe.org/certification)**

### **International Code Council Vision**

Protecting the health, safety, and welfare of people  
by creating better buildings and safer communities.

### **International Code Council Mission**

Providing the highest quality codes, standards, products, and services  
for all concerned with the safety and performance of the built environment.

**Information contained in this bulletin is deemed accurate as of the time of printing.  
Contents are subject to change at any time.

# ***About Code Council Certification***

The Code Council certification program is the oldest, largest, and most prestigious credentialing program for construction code administration and enforcement professionals in the United States. Code Council certification examinations are maintained to the highest standards and include continuous review by committees of experienced professionals.

Becoming Code Council-certified is a significant personal and professional accomplishment. If you have the drive, ability, and dedication it takes to earn a Code Council certification, you will join a select group of construction and fire safety professionals who have attained a high level of excellence and achievement validated through the certification process.

Code Council certification is the key to enhanced professional stature. Code Council certificate holders enjoy these important benefits:

- Verification of personal and professional accomplishment
- Validation of technical expertise
- Recognition on a national level
- Increase in potential career opportunities
- Expanded knowledge
- Confirmed commitment to protect the public health, safety, and welfare

Many building departments and state agencies that regulate code enforcement personnel recognize Code Council certification. However, the Code Council cannot guarantee that a specific governmental agency will accept or recognize a Code Council certification. You should first contact the applicable agency regarding specific licensing and employment requirements and Code Council certification and examinations.

Certification and examination information, including registration/scheduling requirements, dates, locations, fees, and references, are subject to change.

**Candidates should make sure they have the most current information before registering for/scheduling a Code Council examination by going to [www.iccsafe.org/certification](http://www.iccsafe.org/certification).**

# ***Achieving Code Council Certification***

Code Council certification can be achieved in most categories by passing one or more examinations and submitting additional documentation, when required.

General steps to obtaining a Code Council certification:

- Step 1** Reference the most current information on the 2008 Code Council Certification Examinations by viewing/downloading and/or printing the 2008 *Code Council National Certification Examination Information Bulletin for Code Professionals* at [www.iccsafe.org/certification](http://www.iccsafe.org/certification).
- Step 2** Select a certification category; note required examination(s) and corresponding Exam ID.
- Step 3** Review the examination content outline for the required examination.
- Step 4** Obtain the required references for the examination. Study these references well in advance of taking the examination.
- Step 5** Determine if you want to take the examination by computer (electronically) or by paper-and-pencil (written).
- Step 6** Follow the registration requirements for computer-based examinations (starting on page 37) if you elect to have the examination administered electronically. Follow the registration requirements for paper-and-pencil examinations (starting on page 45) if you elect to take the exam by paper-and-pencil.
- Step 7** Pass the examination and meet additional requirements, as applicable.

Some certification categories may have additional requirements that include, but are not limited to, passing multiple examinations, education/work experience, submitting affidavits, and/or additional fees. Please be sure to thoroughly read the detailed information on those examinations you elect to take. For the most up-to-date requirements and detailed information on Code Council certification examinations, go to [www.iccsafe.org/certification](http://www.iccsafe.org/certification).

# **Code Council Certification Categories**

Below are Code Council national certification categories currently available, required examinations, and corresponding exam IDs.

## ***Residential Inspector Certification Categories/Required Examinations***

<b>Exam ID</b>	<b>Certification/Examination</b>	<b>Page</b>
B1	Residential Building Inspector	17
E1	Residential Electrical Inspector	17
M1	Residential Mechanical Inspector	17
P1	Residential Plumbing Inspector	18

## ***Commercial Inspector Certification Categories/Required Examinations***

<b>Exam ID</b>	<b>Certification/Examination</b>	<b>Page</b>
B2	Commercial Building Inspector	18
E2	Commercial Electrical Inspector	18
M2	Commercial Mechanical Inspector	19
P2	Commercial Plumbing Inspector	19

## ***General Plans Examiner Certification Categories/Required Examinations***

<b>Exam ID</b>	<b>Certification/Examination</b>	<b>Page</b>
B3	Building Plans Examiner	19
E3	Electrical Plans Examiner	20
M3	Mechanical Plans Examiner	20
P3	Plumbing Plans Examiner	20
R3	Residential Plans Examiner	21

## ***Code Enforcement Certification Categories/Required Examinations***

<b>Exam ID</b>	<b>Certification/Examination</b>	<b>Page</b>
14	Permit Technician	21
75	Zoning Inspector	21
64	Property Maintenance and Housing Inspector	22
C1	Coastal and Floodplain Construction Inspector	22
DR	Disaster Response Inspector	23
21	Accessibility Inspector/Plans Examiner	23

### ***Fire Certification Categories/Examinations***

<b>Exam ID</b>	<b>Certification/Examination</b>	<b>Page(s)</b>
66	Fire Inspector I (Must submit required Affidavit on page 49)	24, 49
67	Fire Inspector II	24
F3	Fire Plans Examiner	24
FM	Certified Fire Marshal (CFM)	24

### ***Energy Conservation Certification Categories/Required Examinations***

<b>Exam ID</b>	<b>Certification/Examination</b>	<b>Page</b>
77	Commercial Energy Inspector	25
78	Commercial Energy Plans Examiner	25
79	Residential Energy Inspector/Plans Examiner	25

### ***Certification Category Requiring Multiple Examinations***

<b>Category</b>	<b>Examinations</b>	<b>Page</b>
Certified Building Official (CBO)	01, 02	26

### ***Special Inspector Certification Categories/Required Examinations***

<b>Exam ID</b>	<b>Certification/Examination</b>	<b>Page(s)</b>
92	Prestressed Concrete Special Inspector	27
84	Structural Masonry Special Inspector	27
86	Spray-applied Fireproofing Special Inspector	28
S1	Structural Steel and Bolting Special Inspector	28
S2	Structural Welding Special Inspector	28
EC	Earthwork Construction	29
47	Reinforced Concrete Special Inspector	29-34

## **Certification Categories Requiring Multiple Examinations and Application**

*Candidates must pass exams listed below, meet applicable requirements for the corresponding certification, and submit the required application along with a \$30 fee for each certification category to the Code Council to receive a certificate. There is no fee for the Master Code Professional certificate. The Master Code Professional certificate is provided to those who have passed required exams, met applicable requirements, and submitted an application to the Code Council. The required application for certification categories below can be found on the next page of this bulletin.*

<b>Category</b>	<b>Examinations</b>	<b>Pages</b>
Building Inspector	B1, B2	7, 17, 18
Electrical Inspector	E1, E2	7, 17, 18
Mechanical Inspector	M1, M2	7, 17, 19
Plumbing Inspector	P1, P2	7, 18, 19
Residential Combination Inspector	B1, E1, M1, P1	7, 17, 18
Commercial Combination Inspector	B2, E2, M2, P2	7, 18, 19
Combination Inspector	B1, B2, M1, M2, E1, E2, P1, P2	7, 17, 18, 19
Combination Plans Examiner	B3, E3, M3, P3	7, 19, 20
Certified Building Code Official (CBCO)	B1, B2, B3, 01, 02	7, 17, 18, 19, 26
Certified Electrical Code Official (CECO)	E1, E2, E3, 01, 02	7, 17, 18, 20, 26
Certified Fire Code Official (CFCO)	66, 67, F3, 01, 02	7, 24, 26
Certified Mechanical Code Official (CMCO)	M1, M2, M3, 01, 02	7, 17, 19, 20, 26
Certified Plumbing Code Official (CPCO)	P1, P2, P3, 01, 02	7, 18, 19, 20, 26
Certified Housing Code Official (CHCO)	64, 01, 02	7, 22, 26
Master Code Professional (MCP)		7, 35, 36

# ***Administrative Rules and Procedures***

## ***Taking and Retaking Examinations***

During any six- (6) month period and for any one certification category, you may take the exam using the CBT method a total of two (2) times, if necessary, to pass the exam.

Taking the examination in one category has no effect on testing for the six-month period for another category. For example, if you take the Residential Building Inspector examination and fail it, you would be allowed to take a Commercial Building Inspector or, for example, one of the Plumbing Inspector examinations, without regard to the six-month period for your Residential Building Inspector examination.

Candidates who choose the paper-and-pencil administration method may take the same exam at each administration, if they so choose.

## ***Examination Scoring***

The score for each examination is reported as a “scaled score,” with 75 as the minimum passing score. This means that everyone’s score has been standardized on a scale on which 75 is the minimum passing score. Unsuccessful candidates receive diagnostic information on their performance in major test content areas. The actual required passing score may be either above or below 75 percent. It is important to answer all questions for this reason.

The number of correct answers necessary to achieve a scaled score of 75 indicates a level of minimum acceptable competency as determined from systematic analysis by a committee of individuals selected because of their expertise on the subject being used for the content. To ensure that the difficulty of this exam is equal to every other exam in this category, the number of questions that you will be required to answer correctly to achieve the scaled score of 75 may be more or less than a simple 75 percent of the questions on the exam. The scaled score is established by a committee made up of practicing experts in each examination category. Your score, therefore, is based on the number of questions answered correctly relative to the difficulty level of the exam as compared to other exam forms.

Candidates who pass will be notified with the word “PASS,” and will not receive a numeric score. Those who fail will be given a numeric score and diagnostic information. Failing candidates will be provided with diagnostic information on their performance on major content areas of the exam. The diagnostic report cannot be used to calculate scores; it is a general indication only.

## ***Cancellation of Scores***

On rare occasions, circumstances may render examination scores invalid. The Code Council reserves the right to cancel or withhold any examination scores if, in its sole opinion, there is adequate reason to question their validity. Reasons are:

1. Doubts may be raised about the validity of examinees' scores because of suspected misconduct, including but not limited to, giving or receiving help; using unauthorized notes, books, or papers; removing examination materials or notes from the examination room; attempting to take an examination for someone else; or inappropriately taking more than two CBT examinations within a single six-month period. In such circumstances, examinees will be expected to cooperate in an investigation of their scores. Such examinees will be notified of procedures developed by the Code Council to ensure fairness.
2. Some scores may be rendered invalid because of circumstances beyond the examinee's control, such as faulty examination materials or mistiming. These situations will be investigated; when such occurrences result in cancellation of an examinee's scores, the Code Council will arrange for a make-up examination for the examinees concerned.
3. The Code Council has implemented procedures to minimize the potential of negative conditions at the examination site such as bad lighting, excessive noise, or uncomfortable temperature conditions. In unlikely cases where such conditions may occur, the required passing score is not modified or changed. If a candidate finds unfavorable conditions at the examination site, we recommend the candidate immediately notify the proctor.

## ***Common Questions and Answers***

### **Does the Code Council require a candidate to have a certain level of experience or education before taking an examination?**

No. Most Code Council examinations are open to all individuals with no prerequisite for experience or education. Code Council certification should be used as one of several measures of an individual's qualifications when screening applicants for a position. Inspectors should possess the right mix of technical knowledge, education, and related experience. Because proper weighting of the relative importance of these three qualifications is a subjective decision, determining the emphasis of Code Council certification is most appropriately performed at the local level by the building official. For this reason, the Code Council does not specify education or experience requirements for certification applicants for most categories. However, the Reinforced Concrete Special Inspector has additional requirements after passing the certification exam.

### **Is a Code Council certification the same as a license?**

A license is a permit to work in a particular occupation, issued as a result of state or local legislation. Code Council certifications are voluntary certifications. Many jurisdictions require Code Council certification in their administrative regulations. Check with your state or local agency to find out if your state recognizes Code Council certifications.

## **What is the best way to prepare for an examination?**

The best way to prepare for an examination is through the study of codes and standards. Code Council seminars, self-study workbooks, code commentaries, and textbooks may be helpful. Practice examinations for many categories are available from the Code Council at [www.icccampus.org](http://www.icccampus.org). However, nothing can substitute for studying the code and on-the-job experience of code use and application. You must devote the time needed to understand the code and master the ability to apply it.

## **When can I test?**

Computer-testing is administered frequently at over 1,200 sites across the nation. Paper-and-pencil examinations are administered on a limited basis. To get the most updated information, go to [www.iccsafe.org/certification](http://www.iccsafe.org/certification).

## **When will I receive my results?**

Electronic exams:

Unofficial results for examinations taken electronically are available immediately after completion of the examination.

For most certification categories, candidates will automatically receive a Code Council certificate and wallet card within seven to nine weeks after they pass the examination.

Paper-and-pencil exams:

Results for examinations taken by paper-and-pencil are mailed within three to four weeks of the exam date.

## **Are the examinations open book?**

Yes, most exams are open book. To get the most updated information on examinations, go to [www.iccsafe.org/certification](http://www.iccsafe.org/certification).

## **Can't I just look up all of the answers in the books?**

Because of the time constraints, you will not have time to look up all of the answers. For those answers you must look up, you must be VERY familiar with the references to avoid wasting time searching for information.

## **How long are the examinations?**

The length and allowed time varies depending upon the subject matter. To get the most updated information on examinations, go to [www.iccsafe.org/certification](http://www.iccsafe.org/certification).

### **How many examinations can I take at one administration?**

For computer-based exams, in most cases you may take two exams in one day, as long as each examination is only two hours in length. For paper-and-pencil exams, you may schedule three exams at one administration, but multiple exams must be scheduled for different starting times (i.e., 8:00, 10:30, and 1:00).

### **What type of question format will be included in the examination?**

Test questions are in four-option, multiple-choice format, with one answer on each question scored as correct.

### **Should I guess if I don't know the answer to a question?**

There is no guessing penalty, so it is to your advantage to answer every question.

### **How difficult are the examinations?**

Examination difficulty is measured by the individual candidate's knowledge. Candidates with work experience and thorough code knowledge should not find the examinations difficult.

### **If I pass one CBO examination but fail the other, do I need to retake both exams?**

A candidate who passes one exam has three years to pass the other without retaking the passed exam. After three years, the candidate would need to retake and pass both examinations.

### **Can I use my VA Montgomery Bill benefits to pay the fees for taking the examinations?**

Many Code Council exams have been approved for VA reimbursement. To obtain more information on educational benefits for veterans and to submit an application online, visit [www.gibill.va.gov](http://www.gibill.va.gov) or call 1-888-GIBILL1 (442-4551). For a list of Code Council exams currently covered and reimbursable under the GI Bill, visit [www.gibill.va.gov/Education/LCweb/search.asp](http://www.gibill.va.gov/Education/LCweb/search.asp). Type in the keyword: International Code Council.

## ***Code Edition Information***

Examinations are updated to the latest edition of the *International Codes*<sup>®</sup> effective January 1 of the year following the date of publication to allow time for candidates to become familiar with the new code provisions.

## ***Candidate Records Policy***

The General Education Provisions Act, Section 438, as amended, and the regulations promulgated for the enforcement of the act, found at 45 Federal Register 30911 as amended at 45 Federal Register 86296, provide that all Code Council certification examination candidates have certain rights in relation to their educational records. To view the complete records policy, visit the Code Council website at [www.iccsafe.org/certification](http://www.iccsafe.org/certification).

## ***Cancellation of Examination Scores***

On rare occasions, circumstances may render examination scores invalid. The Code Council reserves the right to cancel or withhold examination scores if, in the sole opinion of the Code Council, there is adequate reason to question the validity of certain results.

Canceled scores may result from two situations:

1. Doubts raised about the validity of certain scores because of suspected misconduct, such as giving or receiving help or removing materials or notes from the examination site. In such circumstances, examinees will be expected to cooperate in an investigation of their scores.
2. Some scores may be rendered invalid because of circumstances beyond the examinee's control, such as faulty examination materials.

These situations will be thoroughly investigated. When such occurrences result in cancellation of examination scores, the Code Council will arrange for retesting at a time and place convenient to all concerned with no additional cost to the examinees.

## ***Challenge Information***

There are three opportunities available to challenge an examination.

### ***Comments***

The Comment and Challenge form is for comment challenges and/or complaints. Candidates may complete this form (or submit the information on a separate piece of paper) and submit to the address listed below. An original signature is required. Comments may include complaints of operational issues such as site, location, proctor, and/or computer problems.

Challenges of the exams must be in writing, and signed and dated by the candidate. An original signature on this form is required. This form must contain a separate and complete statement of each ground upon which the challenge is based. Additional forms must be attached for each item. **Initial comments, complaints, or challenges must be received by the Code Council no later than 90 days of the examination administration date.** For forms and/or additional information, contact the Candidate Services Coordinator at 1-888-422-7233, ext. 5227, or by e-mail at [reviewform@iccsafe.org](mailto:reviewform@iccsafe.org).

### ***Hand Scores***

The Hand Score Request form is designed to verify the accuracy of the candidate's reported score. Candidates must submit this form with the \$25.00 fee and a copy of the score report received. An original signature on this form is required. The Code Council follows very careful scoring procedures to ensure accuracy prior to issuance of score reports. **Hand Score Requests must be received by the Code Council no later than 90 days of the examination administration date.** For forms and/or additional information, contact the Candidate Services Coordinator at 1-888-422-7233, ext. 5227, or by e-mail at [reviewform@iccsafe.org](mailto:reviewform@iccsafe.org).

## ***Review Sessions***

The Review Session Request form is designed for a candidate to review missed questions and/or answers. It is not an opportunity to change answers on an examination. Only failing candidates who receive a score within ten (10) points of passing will be allowed a review session. Reviews are completed at a paper-and-pencil testing location and are limited to one half of the original examination time. For a two-part examination, reviews are limited to one half of the original time for the portion of the examination which was failed. Candidates may bring in any of the texts listed in the Examination Information Bulletin as approved references for the examination. The candidate will be provided the questions which were scored as incorrect, along with the answer the candidate marked. Candidates will not be allowed to ask questions.

Candidates must sign, date, and submit this form with the \$50.00 fee and a copy of the score report received. An original signature on this form is required. **Review Session Request forms must be received by the Code Council no later than 90 days of the examination administration date.** For forms and/or additional information, contact the Candidate Services Coordinator at 1-888-422-7233, ext. 5227, or by e-mail at [reviewform@iccsafe.org](mailto:reviewform@iccsafe.org).

Mail completed forms, fees, etc. to:

International Code Council  
ATTN: Candidate Services Coordinator  
900 Montclair Road  
Birmingham, AL 35213

## ***Test Site Regulations***

To ensure the security of examination materials, reliable test results, and public confidence in the integrity of certified professionals, the following rules and procedures are strictly enforced at all Code Council examinations:

1. Examination will be given only on the date and time scheduled.
2. For electronic examinations, examinees must possess and provide their testing confirmation number (that was provided by the Pearson VUE representative at the time of exam registration) at the testing site on the exam day in order to be admitted to take the exam.
3. Examinees must possess and present a valid photo ID issued by a state or federal regulatory agency, i.e., a driver's license, passport, etc.
4. Metal detectors may be randomly used to search examinees entering and/or leaving the exam room.
5. Proctors may inspect all materials an examinee carries into and from the exam room.
6. The Code Council randomly videotapes examination sessions.
7. Individuals who pass an examination cannot retake the examination they passed.
8. Examinees are allowed to bring/use only approved references. References must be in their original forms; however, notes written in ink in the code sections, highlighted code sections, and permanent tabs are allowed.
9. Examinees are not allowed to communicate, verbally or nonverbally, with each other during the examination.
10. Examinees are not allowed to share references.
11. Examinees are not allowed to bring ballpoint pens, colored pencils, highlighters, felt pens, writing paper, or briefcases into the exam room.
12. Examinees are not allowed to bring and use calculators with print capability and/or that store electrical formulas.
13. Examinees are not allowed to bring copying, recording, or photo devices into the exam room.
14. Examinees are not allowed to bring cell phones, beepers, radios, MP3 players, and/or PDAs into the exam room.
15. Examinees are not allowed to write or mark in or on their reference books during the examination.
16. Examinees are not allowed to leave the building and return to the exam room while the examination is being administered.
17. If an examinee wishes to leave the exam room for any reason, he or she must receive permission from the proctor and turn in all his or her examination materials and references to the proctor.
18. Only one examinee at a time is allowed outside the exam room.
19. Examinees are not allowed additional test time for time spent outside the exam room.
20. Visitors are not allowed in the exam room.

## **Proctors**

The proctors are responsible for administering the examination and ensuring security of the exam materials at the test site. Proctors are well-trained and will treat candidates with respect, and in turn, will expect the same level of respect from candidates. Threatening a proctor or interfering with the administration of an examination at *any* time may be considered a criminal offense and punishable by law.

Proctors cannot discuss contents of the exam or reference materials with a candidate.

Proctors have the right to remove a candidate's test and require the individual to leave the building if the candidate:

1. Gives or receives help during the examination;
2. Attempts to remove exam materials or notes from the room;
3. Creates a disturbance; or
4. Copies or attempts to copy examination questions or answers.

If a candidate is dismissed from an examination for an infraction of the policies presented in this booklet, the candidate will not be entitled to a refund, may jeopardize his or her right to take a Code Council examination in the future, and may face possible prosecution.

## **Examinees**

Examinees are responsible for arriving at the exam site on the proper date, at the proper time, with proper identification, and with approved reference(s). Approved examination references are listed with the individual examination outlines found in this bulletin. References for examinations are not supplied by the Code Council or the testing center.

Examinees must know, understand, and adhere to all of the regulations governing Code Council examinations as listed in this bulletin.

Examinees may bring the following items to the examination:

1. Three No. 2 pencils (sharpened)
2. Correct/approved reference(s)
3. Eraser
4. Magnifying glass
5. Eyeglasses, if necessary
6. Architects' scale or rule
7. Watch - **no alarms/cameras allowed during exams**
8. Battery-operated calculator that is nonprogrammable. The calculator **cannot** be capable of storing alpha-numeric numbers or storing examination information, nor have ribbon or paper printing capabilities. Solar-powered calculators are not recommended. Lighting conditions are such that there is usually insufficient light to power a solar calculator. Calculator malfunctions are not grounds for challenging test results or requesting additional time. Special seating is not available to accommodate solar calculators or electrical supply cords.
9. Foreign language/English translation dictionaries, if needed

**Before the Exam**

Examinees should arrive at the exam site at least 30 minutes before the examination is scheduled to begin. Remember, it is your responsibility to already be familiar with the regulations governing Code Council examinations.

The Code Council proctor will check your identification, have you sign in, and may assign you a seat. The examination proctor will explain the procedures for taking the examination; answer questions related to taking the exam and provide notification to begin the examination.

**During the Exam**

For paper-and-pencil administered examinations, the proctor provides a 30-minute and a 10-minute time-remaining alert and announcement when time has expired. For electronically administered examinations, there is a clock on the computer that counts down to display the time remaining. When the time limit is up for the examination, the computer will end the test.

**After Completing the Exam**

If you complete an examination before the time limit has expired, you may conclude your examination appointment and leave.

# 2008 Certification Examinations

Content outlines are subject to change. Please visit [www.iccsafe.org/certification](http://www.iccsafe.org/certification) for the most updated information.

## Residential Inspector Examinations

### B1 Residential Building Inspector

<p><b>NOTE:</b> Passing the exam for the Reinforced Concrete Special Inspector does NOT certify you as a Reinforced Concrete Special Inspector. See requirements on next page.</p>		<p>2006 ICC <i>Concrete Manual</i>®</p> <p>*ASTM Standards are those referenced in the 2006 IBC. Test items are based on the year of issue indicated.</p>

To obtain certification as a Reinforced Concrete Special Inspector, you must complete four components:

1. Obtain the Certification of Completion by passing the ICC Reinforced Concrete Special Inspector certification exam. You must become certified within six years from the first time you have taken the exam, or you may be required to take a new examination.
2. Obtain certification by ACI as an ACI Concrete Field Testing Technician - Grade I; and achieve the Associate Reinforced Concrete Special Inspector Certification (\*see below); then
3. Meet one of the following three education/work experience requirements:
  - Two years of verified college or technical school (copy of diploma or transcript required) **and** two years of verified work experience in reinforced concrete construction inspection
  - High school or equivalent graduate (copy of diploma or certificate required) **and** three years of verified work experience in reinforced concrete construction inspection
  - Five years of verified work experience in reinforced concrete construction inspection
4. Provide verification of the work experience:
  - Complete Sections A and B of the **Education/Work Experience Form** located on page 32. **Note:** Work experience during this time period must include decision-making responsibility and authority; verification of compliance with plans, specifications, and codes; evaluation of reinforced concrete construction in the field; and documentation and reporting of inspection results. Inspection experience must include the following: formwork installation; reinforcements; embedments; sampling and testing of freshly mixed concrete; conveying, placing, consolidating, finishing, and jointing; curing protection; and formwork removal.
  - Submit copies of this form along with the **Information for Respondent** sheet on page 31 to your present and/or former employers, who are called **Respondents**. Send this form to as many respondents as needed to prove the amount of work experience that applies to your particular situation as described above.
  - Each respondent completes Section C of the Education/Work Experience form, signs it, and returns the form to you in a sealed envelope.
  - Complete the **Payment Information Form** on page 34 and send it with the fee, along with all of the sealed envelopes from respondents and copies of your transcript(s) or diploma(s), if applicable, by traceable mail (certified, registered, UPS, etc.) to:

**ACI Certification Department**

Attn: Exam Processing  
38800 Country Club Drive  
Farmington Hills, MI 48331  
248-848-3790

***What happens next?***

ACI will evaluate the form(s) and notify you of the results of the evaluation within 60 days of the receipt of the information. ACI will then send a copy of these results to ICC to process your certification.

***\*Reinforced Concrete Special Inspector Associate***

If you have passed the Reinforced Concrete Special Inspector certification exam and obtained ACI Field Technician - Grade I, you qualify for Reinforced Concrete Special Inspector Associate. To receive the RCSI "Associate" certificate, submit documentation of passing the exam and certification as an ACI Field Technician - Grade I to:

International Code Council  
Los Angeles District Office  
Certification Department  
5360 Workman Mill Road  
Whittier, CA 90601

Continuous certification as an ACI Concrete Field Testing Technician, Grade 1, is required as a part of the Reinforced Concrete Special Inspector or Associate certifications.

This form is for employers of special inspectors for verification of work experience.

## INFORMATION FOR RESPONDENT SHEET

### REINFORCED CONCRETE SPECIAL INSPECTOR CERTIFICATION PROGRAM

Dear present or former employer of an applicant for Reinforced Concrete Special Inspector:

You are asked by an applicant for certification to be a *Respondent* in order to verify information concerning the applicant's work experience. You are asked to complete, sign, and return an **Education/Work Experience Form** because one of the requirements to obtain certification as a Reinforced Concrete Special Inspector is to have certain education and/or work experience.

### COMPLETING THE EDUCATION/WORK EXPERIENCE FORM

This form is used to indicate the applicant's previous work experience. Sections A and B should already be completed by the applicant. You are being asked to complete Section C and sign the form.

Note that in Section B, Item 6, the percentage that is entered should reflect actual circumstances as closely as possible. This number is based on the idea that 100 percent is equal to 40 hours per week working solely on concrete inspection-related work. Lower percentages would apply if the average work week (over the time period in Section B, Item 5) was less than 40 hours, or the applicant had divided job responsibilities between concrete inspection and non-concrete inspection-related work. Time off during the period will lower the percentage. Overtime will increase the percentage. It is possible for the percentage to be higher than 100 percent.

**Example:** An applicant who had a mathematically averaged work week of 50 hours and who worked totally on concrete inspection would be given a rating of 125 percent. If the same applicant worked one-half of their time on concrete inspection, the rating would be 63 percent (one-half of 125 percent).

If you feel the percentage given is not accurate in your judgment, or if any other information is deficient, please cross it out and write in your correction. Applicants are in no way penalized for having forms with information that has been modified by the respondent, unless intentional deception is involved.

**Please return the Form Promptly to the Applicant in a Sealed Envelope.**

If any questions or uncertainties arise regarding the meaning of these instructions, please contact the ACI's Certification Department at (248) 848-3790.

**INSTRUCTIONS**

The applicant must complete both Sections A and B of this form and then forward the form to the respondent (past and/or former employers), who use Section C to verify the statements made in Section B. **Photocopy form as necessary.**

**SECTION A - to be completed by the applicant**

1. Name of Applicant \_\_\_\_\_ Social Security No. \_\_\_\_\_  
 Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_ Zip \_\_\_\_\_  
 Present Employer \_\_\_\_\_ Employer Phone \_\_\_\_\_

2.  Photocopy of front and back of current valid ACI Concrete Field Testing Technician — Grade I wallet card attached.

**3. EDUCATIONAL BACKGROUND**

Name of Institution	City & State	Degree Received or Credit Hours	Dates of Attendance
High School			
College/Technical School			

Attach a copy of your diploma, transcript, or other proof of education.

- Diploma or documentation enclosed  
 Diploma or documentation not enclosed; will be sent later. Please process this application pending receipt.

***If you do not attach verification of your educational background, your application will be held until verification is received.***

**SECTION B - to be completed by the applicant**

4. Employer (during time period in question) \_\_\_\_\_  
 Name of Respondent \_\_\_\_\_ Title (during time period in question) \_\_\_\_\_  
 Employer Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_ Zip \_\_\_\_\_

5. Term of working relations between applicant & respondent: From \_\_\_\_\_ to \_\_\_\_\_ = \_\_\_\_\_  
 month & year month & year Net # of months

During this time period, the relationship of the respondent to the applicant was:

- Supervisor  Employer  Other. Please explain \_\_\_\_\_

6. Percentage of total time of employment in the time period listed in #5 above that was spent in concrete inspection related work:

List percentage here \_\_\_\_\_%

Note: 100% means you worked strictly as a full-time employee (40 hours) with concrete inspection-related work as your only responsibility. Less than 100% means your weekly time spent in concrete inspection-related work, averaged over your period of employment, was less than 40 hours. This condition would exist if you had divided responsibility between concrete inspection & non-concrete inspection related work; or, you worked solely on concrete inspection work, but less than full time OR not steadily during the time period.

7. List the percentage of time spent on the following areas of concrete inspection (Total MUST equal the percentage given in #6 above):

- \_\_\_\_\_ % Formwork installation, reinforcements, embedments  
 \_\_\_\_\_ % Sampling and testing of freshly mixed concrete  
 \_\_\_\_\_ % Conveying, placing, consolidating, finishing, jointing  
 \_\_\_\_\_ % Curing, protection, formwork removal  
 \_\_\_\_\_ % TOTAL

*continued*

**SECTION B - continued**

- |  |                          |                          |
|--|--------------------------|--------------------------|
| 8. In this time period, my work experience included:         | Yes                      | No                       |
| Decision making responsibility and authority                 | <input type="checkbox"/> | <input type="checkbox"/> |
| Verification of compliance with plans, specifications, codes | <input type="checkbox"/> | <input type="checkbox"/> |
| Evaluation of reinforced concrete construction in the field  | <input type="checkbox"/> | <input type="checkbox"/> |
| Documentation and reporting of inspection results            | <input type="checkbox"/> | <input type="checkbox"/> |

Applicant signs below

I authorize those whom I have given as references to furnish to the American Concrete Institute or its agents information concerning my work experience and other background relevant to the stated requirements of the Reinforced Concrete Special Inspector certification program. I agree to release and hold harmless any individual, company, or institution, including the American Concrete Institute, and any persons connected therewith from liability imposed by law in furnishing such information.

I understand that untruths or misrepresentation contained here-in constitute grounds for denial of certification.

**To the respondent:** Please examine all of the information provided by the applicant in Section B. You are being asked to verify work experience in order for this applicant to meet qualifications for certification as a Reinforced Concrete Special Inspector.

**SECTION C - to be completed by the respondent**

Please note that the disclaimer signed by the applicant in Section B above releases you from civil liability in regard to statements, provided to the best of your knowledge, about the applicant, and establishes that the applicant is freely requesting that you provide this information.

1. The information provided in Section B is:

correct as stated.                       correct as modified.

Take note of stated dates and time periods, job responsibilities, etc., and correct any and all inconsistencies and ambiguities by writing in corrections in Section B.

2. In the time period listed in Section B, #5, I would characterize the applicant's job performance as:

Satisfactory     Unsatisfactory     No Opinion

**NOTE:** If any box other than "Satisfactory" is checked, explain reasons in detail below.

3. Comments \_\_\_\_\_

Respondent signs below

I have honestly evaluated the information being submitted on this form by the applicant. I have supplied whatever modifications may have been necessary to make all statements here-in confirm to the truth, to the best of my knowledge. I submit this form in the belief that it contains no misrepresentations whatsoever.

For any questions, call ACI at (248) 848-3790.

# ***Master Code Professional Designation***

The Master Code Professional (MCP) is the highest level of certification in the program. The Code Council has certified thousands of individuals but only a small select number have attained this high level of achievement. Currently, there are less than 500 individuals that have received the Master Code Professional designation. This special group is awarded the gold-colored Code Council lapel pin in addition to the MCP Certificate. To obtain this level of certification requires and demonstrates commitment to the profession, diverse knowledge of codes, and a high level self initiative.

Master Code Professionals are typically responsible for all technical and management aspects of code enforcement. Duties include, but are not limited to:

- management of a code enforcement department.
- supervision of building, plumbing, mechanical, electrical, and elevator inspectors and support staff.
- performing or supervising performance of building, electrical, plumbing, and mechanical plan review.
- when necessary, inspecting or supervising inspection of structures for compliance with the *International Codes®* and referenced standards.

<b>Examination Credit Values for Master Code Professional</b>			
<b>Total Credits Required = 30</b>			
<b>Core Examinations</b>	<b>Credit(s)</b>	<b>Elective Examinations</b>	<b>Credit(s)</b>
Residential Building Inspector	2	Certified Fire Marshal (CFM)	1
Commercial Building Inspector	3	Residential Electrical Inspector	1
Commercial Electrical Inspector	2	Residential Mechanical Inspector	1
Commercial Mechanical Inspector	2	Residential Plumbing Inspector	1
Commercial Plumbing Inspector	2	Electrical Plans Examiner	2
Building Plans Examiner	3	Mechanical Plans Examiner	2
Accessibility Inspector/Plans Examiner	1	Plumbing Plans Examiner	2
Certified Building Official (CBO)	4	Fire Inspector I	1
		Fire Inspector II	1
<b>Total Core Credits Required = 19</b>		Fire Plans Examiner	2
		Residential Energy Inspector/Plans Examiner	2
		Commercial Energy Inspector	1
		Commercial Energy Plans Examiner	2
		Reinforced Concrete Special Inspector	2
		Property Maintenance and Housing Inspector	1
		<b>Total Elective Credits Required = 11</b>	

**Below Code Council certifications have the following values:**

- Building Inspector = 5 credits
- Electrical Inspector = 3 credits
- Plumbing Inspector = 3 credits
- Mechanical Inspector = 3 credits

**Note:** You cannot count both the component exams and the complete certification.

**Option**

Candidates that have the following certifications also qualify for Master Code Professional:

- Certified Building Code Official (CBCO)
- Certified Electrical Code Official (CECO)
- Certified Mechanical Code Official (CMCO)
- Certified Plumbing Code Official (CPCO)
- Accessibility Inspector/Plans Examiner
- Residential Energy Inspector/Plans Examiner, or  
Commercial Energy Plans Examiner

# ***Computer-based Testing***

## ***Registering for a Computer-based Examination***

Computer-based certification examinations are administered for the Code Council by Pearson VUE (formerly Promissor), a professional test administration company. **To register to take a Code Council computer-based certification exam, call Pearson VUE at 1-800-275-8301 (only for non-DBPR candidates). You must provide the Pearson VUE representative the EXAM ID and EXAM TITLE.** Pearson VUE's customer care reservations and customer service lines are open Monday through Friday from 8:00 a.m. to 11:00 p.m. (Eastern Time), Saturday from 8:00 a.m. to 5:00 p.m., and Sunday from 10:00 a.m. to 4:00 p.m.

When you call to make your examination reservation, a representative will help you select the optimal test date and location for your schedule, provide instructions and directions, and give your examination reporting time. Walk-in testing is not available.

You may make an exam reservation up to one business day prior to your desired exam date, depending on space availability at the test center.

**You must have the following information available at the time you are registering for a Code Council computer-based certification examination:**

1. Exam ID and title. Exam IDs and titles can be found in this bulletin
2. Your full name, address, social security number, home and work telephone numbers
3. Selected examination date and location of the area you desire to take the exam
4. Your score report, if you are retaking the examination
5. Your credit card or payment information

## ***Test-site Information***

To locate test sites in your area, see page 41.

## ***Payment Policy***

Examination fees must be paid by credit card, debit card (issued through VISA or MasterCard) or electronic check at the time a reservation is made, NOT at the test center. Candidates who do not have or do not wish to use a credit card, debit card, or personal checking account may choose to prepay their examination fees by filling out and sending in a voucher request form to Pearson VUE (see page 43 for a copy of the Pearson VUE Voucher Request Form). Pearson VUE will process mailed requests within ten business days, and will notify candidates by mail when processing is complete. Candidates may then make a reservation.

## ***Taking the Examinations***

Examinations are administered on a personal computer (PC). Candidates are not required to have any computer knowledge to take the examination on the PC. Before you begin your test, you may take up to 15 minutes to practice with the sample questions. Timing of the examination does not begin until you look at the first question of the actual examination. You will be allowed to change your answers, mark answers for review, go back to skipped questions and, time permitting, review your test.

## ***2008 Examination Dates***

Code Council certification examinations are administered nationally, Tuesday through Saturday, with the exception of national holidays or holiday weekends. Testing sessions are generally held at 8:00 a.m. and 1:00 p.m. Some test centers are open daily, while others are open on specific days of the week. In some locations, exams are administered on a monthly basis. Pearson VUE offices are closed in observance of the following holidays in 2008:

New Year's Day

Martin Luther King, Jr. Day

Memorial Day (including Saturday prior to holiday)

Independence Day (including Saturday following holiday)

Labor Day (including Saturday prior to holiday)

Thanksgiving (including Friday and Saturday following holiday)

Christmas (including day after Christmas)

Centers testing on the 2<sup>nd</sup> and 4<sup>th</sup> Saturdays will switch to the 1<sup>st</sup> and 3<sup>rd</sup> Saturdays during May, November, and December.

## ***Inclement Weather or Other Emergencies***

Test administrations will be delayed or canceled only in emergencies. If severe weather or a natural disaster makes the test center inaccessible or unsafe, the test administration may be canceled. Call Pearson VUE at 1-800-274-2615 to check weather or other emergency delays.

## ***How to Change an Examination Appointment***

To change or cancel your reservation without monetary penalty, you must notify Pearson VUE two business days before your scheduled examination. When this is done, the fee from your first appointment will be applied to your new test date. If you call Pearson VUE less than two business days before your scheduled examination, you will be charged the full examination fee. The fee from your first appointment will be owed in addition to the fee for the new test date.

## ***To Cancel without Monetary Penalties***

<b>Cancel or change your appointment by:</b>	<b>If your examination is scheduled for:</b>
Wednesday	Saturday
Thursday	Tuesday
Friday	Wednesday
Monday	Thursday
Tuesday	Friday

### ***If You are Absent from Your Reserved Examination***

There are no refunds for examinations not taken. All candidates seeking excused absences must submit written verification and supporting documentation of the situation to Pearson VUE within 14 days of the original examination date. Illness excuses must be written by the attending physician. Inclement weather is not acceptable as an excused absence. If, on the day you are scheduled to test, you are unable to attend the examination for which you were scheduled, you may be excused without monetary penalty for the following reasons:

1. Documented illness, either yourself or immediate family member;
2. Death in the immediate family;
3. Disabling traffic accident;
4. Court appearance or jury duty; or
5. Military duty.

Written verification and supporting documentation for excused absences must be submitted to the Pearson VUE Program Coordinator via fax or mail within fourteen (14) days of the original examination date.

Pearson VUE  
c/o Candidate Services  
P.O. Box 8588  
Philadelphia, PA 19101  
Fax: 888-204-6291

If you are absent from an examination that you were scheduled to attend, and you did not re-schedule or cancel according to the policy, you will owe Pearson VUE the full examination fee for that missed examination. You will not be permitted to take future exams until the fee owed Pearson VUE for the previous missed examination has been paid.

## ***Test Results***

After completing the test, candidates will raise their hands and the assessment center manager will retrieve the unit for immediate scoring. Failing candidates will be provided with diagnostic information on their performance on major content areas of each examination taken. This information is not used to determine whether a candidate passes or fails; it is for self-evaluation only. Candidates who pass will be notified with the word "PASS." Refer to Examination Scoring on page 8.

## ***Special Arrangements and Services***

Pearson VUE certifies that it shall comply with the provisions of the Americans with Disabilities Act (ADA). If you need special arrangements for testing, you may ask for special testing services at the time of registration. All examination sites have access for candidates with disabilities.

Pearson VUE will provide auxiliary aids and services, except where it may fundamentally alter the examination or results. It is recommended that you submit a written request for special test arrangements and services approximately two to three weeks in advance of your desired test date. In addition, candidates should indicate when registering for re-examination that special arrangements were made or services used for the prior test administration, and that these services will be needed again for the upcoming test date.

Pearson VUE is equipped with TDD (Telecommunications Devices for the Deaf) to assist deaf and hearing-impaired candidates. TDD calling is available during standard business hours through a special Pearson VUE toll-free number, 1-800-274-2617. This phone number is for express use by candidates with compatible TDD equipment.

Pearson VUE will determine the time and place of specially arranged examinations and confirm these arrangements with the candidate directly. In some cases, there may be an additional fee for special arrangements.

In the event that an examination is offered only on Saturdays, candidates who cannot take the examination for religious reasons may request a non-Saturday test administration. Such a request must be put in writing on official stationery by your religious advisor and sent via fax machine, or mailed to Pearson VUE. Non-Saturday testing for this circumstance is done only on a prearranged basis.

Promissor (formerly known as CAT\*ASI) will soon introduce several changes to the examination procedures for the programs it administers. These changes, which will occur program by program over the next few months, are:

## ELECTRONIC EXAMS

Examinations will be administered on a PC, *not* the EXPro system. Candidates are NOT required to have any computer knowledge to take the examination on the PC, nor will the examination itself be any more or less difficult than an examination taken on EXPro.

## EXAM FEES

Examination fees must be paid by credit card, debit card (issued through VISA or Mastercard), voucher or electronic check at the time a reservation is made, *not* at the assessment center. Candidates who choose to pay the fee by electronic check must have a personal checking account, and must be prepared to provide to Promissor at the time of reservation the following information:

- Bank name
- Magnetic Ink Character Recognition (MICR) number (as illustrated below)
- Name and address on the account
- Social Security number or driver's license number
- Next available check number

Using this information, Promissor can obtain payment from the candidate's bank account just as if the candidate had submitted an actual paper check. Promissor has security measures in place to protect all candidates who pay examination fees by credit card, debit card or electronic check.

Candidates who do not have or do not wish to use a credit card, debit card, or personal checking account may pre-pay their examination fees and receive a voucher number to use when they contact Promissor to make a reservation. These candidates should send to Promissor a Voucher Request Form (found on the reverse of this page), along with a company check or money order (made payable to "Promissor") for the amount of the examination fee. Promissor will send a voucher number by mail or email within seven (7) days of receipt of the form and payment. Candidates may then make a reservation.

## REFUNDS/TRANSFERS

Under normal circumstances, examination fees are refundable only if a reservation is canceled within the time frame specified in the program handbook. Candidates who cancel their examinations within this time frame may choose to forgo a refund and apply the fee to a future examination. Candidates who require a refund should make a request to Promissor by telephone (using the Customer Care telephone number found in the program handbook). Refunds for fees paid by credit cards and debit cards are immediate, while paper refunds for electronic checks and fees paid by voucher will be processed within 2-3 weeks.

## FAX RESERVATIONS

The Fax Reservation Form has been updated to allow for the new payment options. When the new payment options become active, candidates should use the form on the reverse of this page instead of the form that appears in the program handbook.

## FOR MORE INFORMATION

Candidates may contact Promissor Customer Care at the number listed in the program handbook with any questions about electronic examinations or the payment of examination fees.

# ***Paper-and-Pencil Testing***

## ***Registering for a Paper-and-Pencil Examination***

A registration application is required to be completed and forwarded to the Code Council with pre-payment. The application can be found in this bulletin on pages 47-48.

Approximately two weeks prior to the examination date, the Code Council will send a confirmation letter stating the examination(s) for which the candidate is registered, examination date, reporting time(s), and examination center address.

## ***Written Examination Absence and Refund Policy***

A candidate will be refunded 80 percent of the written examination registration fee when cancellation is made at least 14 days prior to the scheduled examination date. If cancellation is made less than 14 days before the scheduled examination date, 50 percent of the registration fee is refunded.

Cancellations must be in writing (via fax or U.S. mail) with the candidate's signature. The exam date, type, and location must be listed on the cancellation request.

Candidates also have a one-time-only option to transfer their paid registration to the next scheduled examination administration date with a \$50 administrative fee. Transfers must be requested in writing and received at the Code Council no later than the day prior to your scheduled exam date.

If a candidate does not appear on his or her scheduled examination date, no refund is made, and the option to transfer registration to the next scheduled examination administration will require written request within 7 days of the examination date. The following reasons will be accepted:

1. Documented illness, either yourself or immediate family member;
2. Death in the immediate family;
3. Disabling traffic accident;
4. Court appearance or jury duty; or
5. Military duty.

## ***Special Requests for Examination Administration***

If you have a disability that prohibits you from taking the examination under standard conditions, you may request special arrangements. Your request must accompany your registration form. In addition to the letter of request, a special accommodations form must be submitted. This form may be obtained by contacting the Code Council National Certification Services Department. Please contact the department for instructions concerning the required information before you submit your application. Completed accommodations forms must be submitted and approved by the examination department a minimum of three months prior to the requested examination administration date.

## ***Taking the Examinations***

Quiet must be maintained both inside and outside the examination room. If you are waiting outside the examination room, make sure that you are not talking loudly or in any way disturbing the participants in the examination room.

Each candidate will be given a packet containing an examination booklet, plans (if appropriate), an answer sheet, a sheet for calculations, and a comment sheet. You will not need additional scratch paper. All of this material must be enclosed in the return envelope along with the original envelope and confirmed by the proctor.

Each question in the booklet has one, and only one, correct answer. In answering the questions, select the one response which answers each question and mark the corresponding space on the answer sheet. If more than one response or no response is marked, no credit will be given for the question.

Keep track of time. You will have time to complete the examination and check your work if you work steadily, and do not spend too much time on those questions that are difficult for you. After a reasonable time, mark on the answer sheet the answer you think is correct and go on to the next question. Then, if you finish before time is called, you can go back to the questions you have doubts about.

All questions have equal value. Your score will be based on the number of correct answers you give; therefore, it is to your advantage to answer every question.

All marks other than your chosen answers must be erased completely. Do not rest your pencil in the response area, since this may inadvertently cause stray marks that could be taken for a response by the optical reading equipment.

Any comments pertinent to the examination or site should be recorded by you on the comment sheet and returned with all examination materials to the proctor in the return envelope. Under no circumstances are examination materials to be taken from the room.

All examination materials received at the examination site must be returned to the proctor. Failure to return all materials will disqualify the candidate's score and the Code Council may refuse any future applications from the candidate for testing.

## ***Paper-and-Pencil Examination Results***

All examinees are notified by mail of their examination results from three to four weeks after the examination date. Candidate results are not available by telephone. Information is also posted on the Internet at [www.iccsafe.org/certification](http://www.iccsafe.org/certification).

11/07/05  
This Affidavit is required  
for the Fire Inspector I

**Affidavit of NFPA 472 Hazardous Materials Awareness Level**

I, \_\_\_\_\_, have received training and meet the requirements set forth in the NFPA 472 Professional Competence of Responders to Hazardous Materials Incidents, Chapter 4, Competencies for the First Responder at the Awareness Level.

Furthermore, I know that I could, by the responsibilities of my job and profession, be the initial person on the scene of an emergency involving hazardous materials and I am expected to recognize the presence of hazardous materials, protect myself, call for trained personnel, and secure the area.

\_\_\_\_\_  
Signature

\_\_\_\_\_  
Submitted this date

Submit this Affidavit to: International Code Council  
Birmingham District Office  
Certification and Testing Department  
900 Montclair Road  
Birmingham, AL 35213

## ***Suspension and Revocation of Certificates***

It is the policy of the Board that each active certificate holder shall agree in writing to comply with the following Code of Ethics; and shall agree that failure to comply shall subject their certification to suspension or revocation by the Board.

### **Code of Ethics**

The protection of life, health and property is a solemn responsibility of the highest order. Recognizing the public's trust bestowed upon individuals engaged in the administration and enforcement of building codes, the International Code Council advocates commitment to a standard of professional behavior that exemplifies the highest ideals and principles of ethical conduct. The governing concepts embodied in this philosophy are characterized herein below, for the benefit and guidance of those so engaged, and for the enlightenment of the public so served.

The Code Council-certified individual shall:

- *Place the public's welfare above all other interests and recognize that the chief function of government is to serve the best interest of all the people.*
- *Demonstrate integrity, honesty and fairness in all transactions and constantly strive for excellence in all matters of ethical conduct.*
- *Recognize the continuing need for developing improved safety.*
- *Maintain professional competence in all areas of employment responsibility and encourage the same for all associates at all levels.*
- *Accept no personal favors for public services rendered and conscientiously avoid all circumstances that could compromise professional integrity.*
